

Nordic-Saharawi Exchange Program

Western Sahara Calling!

A partnership project has been established between Red Cross Nordic United World College in Flekke, and the Ministry of Youth and Sport/ Polisario in Western Sahara, with funding provided by Fredskorpset (Norwegian Peace Corps).

RCNUWC is now recruiting six volunteers to travel to, and work in,

the Saharawi refugee camps in south-western Algeria from September 2008. There will be two placements, each for three volunteers:

the first from September to December 2009;

the second from January to May 2010.

A month-long preparatory course for all volunteers will be held for 4 weeks, starting in late July 2009: three weeks will be spent at RCNUWC, and one week at a Fredskorpset training centre in Oslo.

Expenses - travel, insurance, lodging etc - will be paid.

The project is open to students aged between 18 - 25 yrs.

Priority will be given to Norwegian/Nordic applicants.

Are you Interested?

The deadline for applications is 29th January, 2009
